Minigolf World Championships 2009

A Dream became true

In my welcome speech I told you that the board of the Danish Minigolf Federation, just like Martin Luther King, had a big dream – the first World Championships General Class in Denmark.
Our dream has now become true.

For some of you these world championships have been like a fairytale with a happy ending and for some a little less happy ending. Remember you are all winners by being so good that you can participate in a world championship.

You have all been a part of making this tournament to a great experience during your participation and also during outstanding play and good behavior.

Many thanks to all our collaborators, Arena Fyn - Odense Congress Center and the professional and very helpful staff, officials, referees and the staff behind the tournament. They have all made it possible to give you this experience here in Arena Fyn, Odense.

Special thanks to: Odense kommune

The organizing committee would like to thank all participation coaches for their hard work with the teams and players.

Without this, the tournament would not have been a success.

This work is often forgotten, but no player can perform his best, if he has no helpers!

Therefore this page, to acknowledge all helpers of this tournament and every helper in the local clubs all over the world.
